Term 3 (Jan – Feb)	Decimals and Ratios, Lines and Angles
Term 4 (Mar – Apr)	Calculating with Fractions
Term 5 (Apr – May)	Straight Line Graphs, Percentages, Decimals and Fractions
Term 6 (Jun – Jul)	Statistics, Graphs and Charts

Additional Equipment Required: Pen, Pencil, Rubber, Ruler, Compass, Protractor, Calculator

Assessment Details

Students will complete a pre and post assessment each term, and these will be kept in books once marked. Students will also receive a personalised learning checklist (PLC) at the end of each term, which will identify remaining gaps in learning. Students will also complete a cumulative end of year assessment.

What can I do to support my child at home?

- Ensure that all homework tasks are completed
- Ensure any remaining learning gaps identified in the PLC are addressed using the online resources available
- Discuss and celebrate progress made through improvement in performance of pre and post termly assessments

Recommended resources for the course:

Homework
Edexcel
