## Dear Parents and Carers,

As we near the end of the academic year, we would like to pass on our thanks for your continued support of the school following a year of change and continued improvement. This year has seen lots of changes in a number of areas including the staffing structures, which has, and will continue to contribute to the improvements of the school. This includes the expansion of the leadership and middle leadership teams which are now listed below.

North Campus	South Campus

Our pastoral structure is also being adapted to meet the needs of the students in our school. This will include returning to Heads of Year, which will allow the staff to specialise in the needs of a year group, as well as being able to adopt a consistent approach to support parents and students. We will also have an increased capacity of our pastoral support with the appointment of 3 additional Pastoral Support and Inclusion Officers across both sites. Our house system will continue to run and be used across our house competitions.

## Pastoral Structure

### North Campus

Head of Year 7 - Mrs C Gordon  
Head of Year 8 - Miss C Dougherty  
Head of Year 9 - Mr B Kirkham

### Pastoral Support and Inclusion officers:

Mrs A Chapman  
Mrs G Devereaux  
Mrs E O'May

## September School Dates

Our new term arrangements are as follows:

Monday 4th September – Teacher training day

Tuesday 5th September - Year 7 and 12 only (Normal start and finish times)

Wednesday 6th September – School reopens for all students

## Uniform

Please can parents and carers ensure that all students are in the correct uniform for the start of the new term in September. Full details are on the school website under 'Parents' and 'Uniform'. There should be no facial piercings at all, this includes nose piercings. Earrings should be restricted to one small earring in each ear. Students must be in shoes and not trainers and be wearing a blazer and the black school tie. Leggings and shorts are not permitted. If you have any questions or concerns about your child's uniform, please contact Jane Karaolis at [jane.karaolis@ewsacademy.org.uk](mailto:jane.karaolis@ewsacademy.org.uk).

To support our Eco School Award and in light of financial hardship for many families, if you wish to donate school uniform, please see links below to our recent letters:

[Uniform Donations - North Site](#)   [Uniform Donations - South Site](#)

If students are not in the correct uniform, they can expect one or a combination of the below to be applied from September 2023. It is expected that on most occasions it may be possible to loan a student an item of clean uniform which must be returned at the end of the day.

- Refusal to wear the uniform provided will result in the student working in a designated area until the correct uniform is brought to them, or until such time the uniform is corrected
- A break and lunchtime detention will be sanctioned.
- The student may be sent home to change with prior consent from parents.
- Prohibited items will be subject to confiscation and require collection by a parent or carer.

Persistent breach of the uniform policy will be escalated through our sanctions policy for persistent non-compliance.

### **Vaping in school**

We have recently had a small number of students bringing in vapes into school and using them in the toilet. If caught, students will face a severe sanction and have any vapes confiscated. However, we are as concerned about the negative health impact vaping amongst teenagers can cause. Vape “smoke” contains:

- Nicotine, shown to increase the risk of cancer, heart disease, stroke, lung diseases, diabetes, and chronic obstructive pulmonary disease
- Ultrafine particles that can be inhaled deep into the lungs
- A Harvard study found that the vaping flavouring chemical called diacetyl is linked to a condition called “popcorn lung,” which causes scarring and obstruction in the lungs
- Cancer-causing chemicals
- Heavy metals, such as nickel, tin, and lead.

### **Staff leavers**

We are sorry to say goodbye to the following staff, we would like to thank them for their hard work at EWS and wish them all the best in the future.

- Miss Christopher
- Mrs Low
- Mrs Rubino
- Miss James
- Ms Hurdle
- Ms Farrell
- Mr Chikobvu
- Miss Clark
- Mr Patel
- Mrs McGarry
- Mrs Osborn
- Miss Maryan
- Mr Clayson
- Mrs Ransley
- Miss Fonseca

### **Exam results days**

A-level and GCSE results days take place on 17th and 24th August respectively. A Level results day will take place on South Campus, with the GCSE day taking place on the home site of the student.

- A-level/Level 3 results, Thursday 17th August: Year 13 - 8.30am; Year 12 - 9.30am
- GCSE/Level 2 results, Thursday 24th August: Year 11 - 9.30 - 10.30am

Parents have been sent information via Parentmail with details on how to request a form for students to complete and return before the end of term should they be unable to pick up their results in person. Please check ParentMail for this if needed. We are unable to share results over the phone or via email, but they will be available on Go4Schools after midday on each of the dates shown above. There is a process for reviewing results and access to scripts following exams, this will be explained in the envelope your child receives on results day should you wish to use this.

# Farewell Miss Christopher

## Farewell to an Inspirational Teacher: Miss Christopher Retires After 38 Glorious Years at Roade School and EWS

It is with a bittersweet mix of emotions that we announce the well deserved retirement of one of our most cherished teachers, Miss Christopher. After an incredible journey spanning 38 years at Roade School and EWS, she is now ready to hang up her protractor one last time and embrace a new chapter in her life.

Throughout her tenure, Miss Christopher has been the epitome of dedication, passion, and excellence in the field of Maths, she has left an indelible mark on the hearts and minds of countless students.

Her unwavering commitment to nurturing young minds and empowering them with knowledge has been an inspiration to her colleagues over the many years and an invaluable asset to our school.

Over the years, Miss Christopher has guided countless students through the intricacies of mathematics, transforming complex formulas into comprehensible concepts. Her passion for the subject was contagious, making even the most reluctant learners find a newfound appreciation for numbers and equations.

Beyond her exceptional teaching skills, Miss Christopher has been a beacon of kindness and support for her students. Her warm heart and caring demeanour have comforted many through the challenges of adolescence, making her a trusted teacher and mentor to generations of young minds.

Her retirement marks the end of an era, but also the beginning of a well-deserved rest and new adventures. We are grateful for the profound impact she has had on the lives of so many students and colleagues, and we will forever cherish the memories created under her guidance.

As Miss Christopher embarks on this new chapter in her life, we extend our heartfelt congratulations and best wishes. May her retirement be filled with joy, relaxation, and the fulfilment of lifelong dreams.

To Miss Christopher, thank you for 38 remarkable years of service to our school and community- A true Roade School and EWS legend.

Farewell, Miss Christopher, enjoy your retirement.

# NMPAT

Northamptonshire Music and Performing Arts Trust

On Wednesday 21 st June I took part in the NMPAT Music Festival at the Derngate Theatre. I am part of a musical theatre group based in Weston Favell shopping centre called Silhouette. I go there every Saturday morning. We were performing a song called Flash Bang Wallop What a Picture from the film Half a Sixpence.

I was excited to be taking part in the festival and to be able to perform in a real theatre. I hadn't been in a theatre before and was a bit overwhelmed and nervous about performing in such a big space.

I got more nervous when I was asked to do the part in the song that should have been performed by another girl. She was sick and unable to attend. Once I started to rehearse the song and the part I began to relax.

Our group were in the second half of the show and I really enjoyed performing with them and I think we did good. I was really pleased with the way it went and I enjoyed being at the Derngate and would like to do it again.

WELL DONE  
MILLIE, WE ARE  
PROUD OF YOU!

# What do you do with your old school uniform?

A new survey has found that 1.4 million school uniform items are thrown away each year. Many of these items, such as shirts, dresses and trousers, are made from a mixture of materials including polyester or acrylic - which are 100% plastic.

The survey found that just over 350 tonnes of plastic were ending up in a landfill each year, from uniform alone, which can take many decades to break down.

According to the survey by My Nametags, many uniform items are still in good condition when they're thrown away.

Instead, the study suggest families should donate unneeded and outgrown items to uniform banks, siblings or friends.

Donating uniforms isn't just good for the environment, it can also help families save money as uniforms can be very expensive.

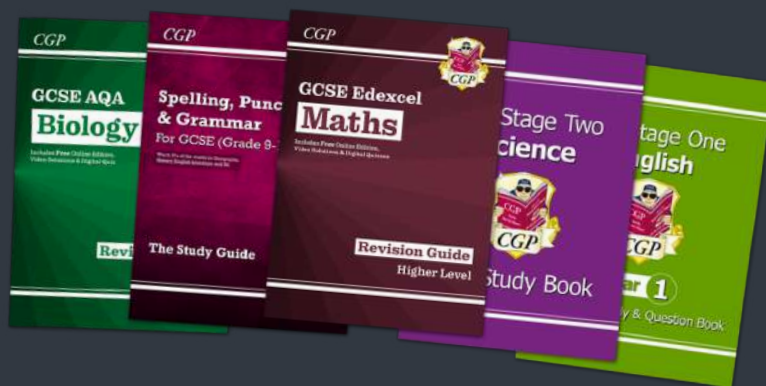

# Revision Guides: Please don't throw them away

We are launching a Revision Guide Donation Drive to gather old revision guides, study materials, and educational resources that can be redistributed to our current students.

Many families may face financial challenges when it comes to obtaining study aids, and your generous donations can make a significant impact on their academic journey. It is also better for the planet.

If you are able to support please drop donations off to reception on each campus.

Thank you for your support

## **Celebrating the Melodies of Summer: A Recap of the Spectacular Summer Breeze Concerts**

As the sun sets on another delightful term, we can't help but reminisce about the magical evenings we experienced during our Summer Breeze concerts. Held on each campus, these showcases of musical talent left an indelible mark on our hearts, reminding us of the beauty and power of music and talent of our students.

### **A Symphony of Talent Unleashed**

The Summer Breeze concerts were a testament to the incredible talent that resides within our school community. Our students poured their hearts and souls into their performances, leaving the audience spellbound with their musical prowess. From soulful solos to mesmerizing ensembles, every note reverberated with passion and dedication.

### **Thank You, Students!**

To all the talented students who graced the stage with their presence, we extend our heartfelt gratitude. Your commitment to your craft and your willingness to share your musical gifts with us brought immense joy and inspiration to everyone present. Your performances were nothing short of awe-inspiring, and we are incredibly proud of each and every one of you.

### **Appreciation to Parents, Carers, and Families**

We also want to express our sincere thanks to the parents, carers, and families who joined us at the Summer Breeze concerts. Your support and presence in the audience meant the world to our young musicians. Your encouragement and applause motivated them to give their best.

### **The Prelude to Future Events**

As we bask in the success of the Summer Breeze concerts, we are already looking forward to planning more events in the future. The overwhelming response and enthusiasm from our community have filled us with a renewed commitment to bringing more such events that showcase the diverse talents within our school.

Keep an eye on our upcoming events calendar, as we are eager to share more musical moments, creative showcases, and artistic exhibitions with you in the coming months.

Once again, a huge thank you to all the students, parents, carers, and families for making these concerts a resounding success. Your unwavering support fuels our passion for fostering a vibrant artistic community within our school.

# A Level Results Day '23

## **When do universities get my results?**

Only exams office staff and heads can view A-level results before they're widely released to candidates on Thursday 17 August 2023.

From 12.01am on the day before - referred to as restricted release day - results are available from exam boards such as the AQA (Assessment and Qualifications Alliance) and OCR (Oxford, Cambridge and RSA).

However, at this stage, these results must be treated as confidential by universities and exam offices.

## **What time does UCAS Hub update on results day?**

As UCAS Hub is where you're kept informed of your application's progress, the UCAS site is the place to go on results day. However, UCAS Hub is 'frozen' in the days leading to the publication of your A-level results, meaning you won't be able to make any changes during this time. Contact UCAS directly if you need to update any information.

The system will be available at around 8am on results day, but it can often take a few hours for UCAS to update and allow you to make any changes.

## **What will UCAS Hub show?**

If decisions have been made by your university choices, and UCAS have been notified, you can expect to see the following changes to offers on UCAS Hub:

- Unconditional - your place on the course has been confirmed. This may be your firm or insurance offer, or both.
- Unsuccessful - you've not been accepted by your choice(s). You're now eligible to enter Clearing.
- Unconditional Changed Course (UCC) - you don't have the necessary grades for your offer, but the university has proposed a similar course requiring lower grades. They may also offer an alternative start date, such as deferred entry. You have five days to decide and can discuss the opportunity with the university in question.

Bear in mind that your A-level results won't appear in UCAS Hub.

## **What do I do if I meet my offer?**

If you're holding at least one conditional place and you've met the requirements, the offer will change to 'unconditional'. This firm acceptance is confirmed in UCAS Hub, and you'll then receive details on what you need to do next, and when - either from UCAS, or directly from the university. For example, some institutions will ask you to provide evidence of your qualifications.

If you've used UCAS Extra to add another choice - and have been offered a place - you'll just need to accept it by the date displayed in UCAS Hub. There's also the option of adding another choice, should you wish to decline the offer.

## **What if I don't get the grades I need?**

Don't panic, as there are a number of options open to you and we will be in school to help support and guide you.

## Xanthe Isreal- Going for gold!

You did it, Xanthe! We are thrilled to extend our warmest congratulations on your outstanding performance at the trampoline competition in Loughborough! Your hard work, determination, and unwavering dedication have truly paid off.

Scoring the 1:1 is a testament to your remarkable talent and the hours of effort you've poured into perfecting your craft. And that's not all! Whooping the competition and clinching the gold medal is a phenomenal achievement. Your exceptional skills and indomitable spirit set you apart, and your triumph is truly well-deserved.

We can't wait to see you soar even higher in the future. Your success inspires all of us to strive for greatness and reminds us that with passion and perseverance, anything is possible. Keep believing in yourself, Xanthe, and continue to reach for the stars. Your bright future awaits, and we are cheering you on every step of the way!

Once again, heartfelt congratulations on your remarkable achievements. We are incredibly proud of you.

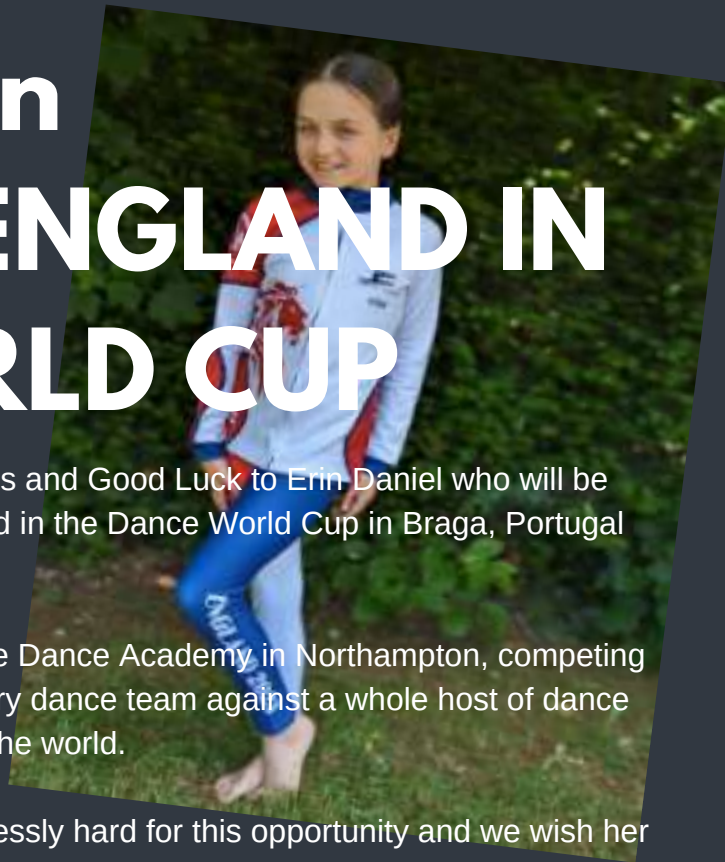

Way to go, Xanthe, you are a true champion!

# ERIN DANIEL 7Wn REPRESENTING ENGLAND IN THE DANCE WORLD CUP

Huge Congratulations and Good Luck to Erin Daniel who will be representing England in the Dance World Cup in Braga, Portugal from July 3rd - 7th.

Erin is part of Oncore Dance Academy in Northampton, competing with the contemporary dance team against a whole host of dance teams from all over the world.

Erin has trained tirelessly hard for this opportunity and we wish her and her team all the very best next week.

## Sharing success in PE

10 EWS Students Represented South Northants on Monday in the County Athletics at Corby. The results are attached and I've highlighted our athletes, Please remember these or positions in the WHOLE of Northamptonshire and just getting to compete at this level is an excellent achievement.

South Northants won both the Boys and the Girls Competition.

Additionally please see our PE Instagram post that shows the last 200m of the Boys 1500m with Daniel Southgate running in the Green Vest and finishing in 5:00min. (1500m is 109m short of a mile).

# Rewards Day

Last week, we celebrated our much-anticipated Rewards Days, where we congratulated our exceptional students for their remarkable success in "Formopoly"!

Students were treated to a day of inflatables to reward their hard work and efforts throughout the year.

# Aston Martin Make a mark day

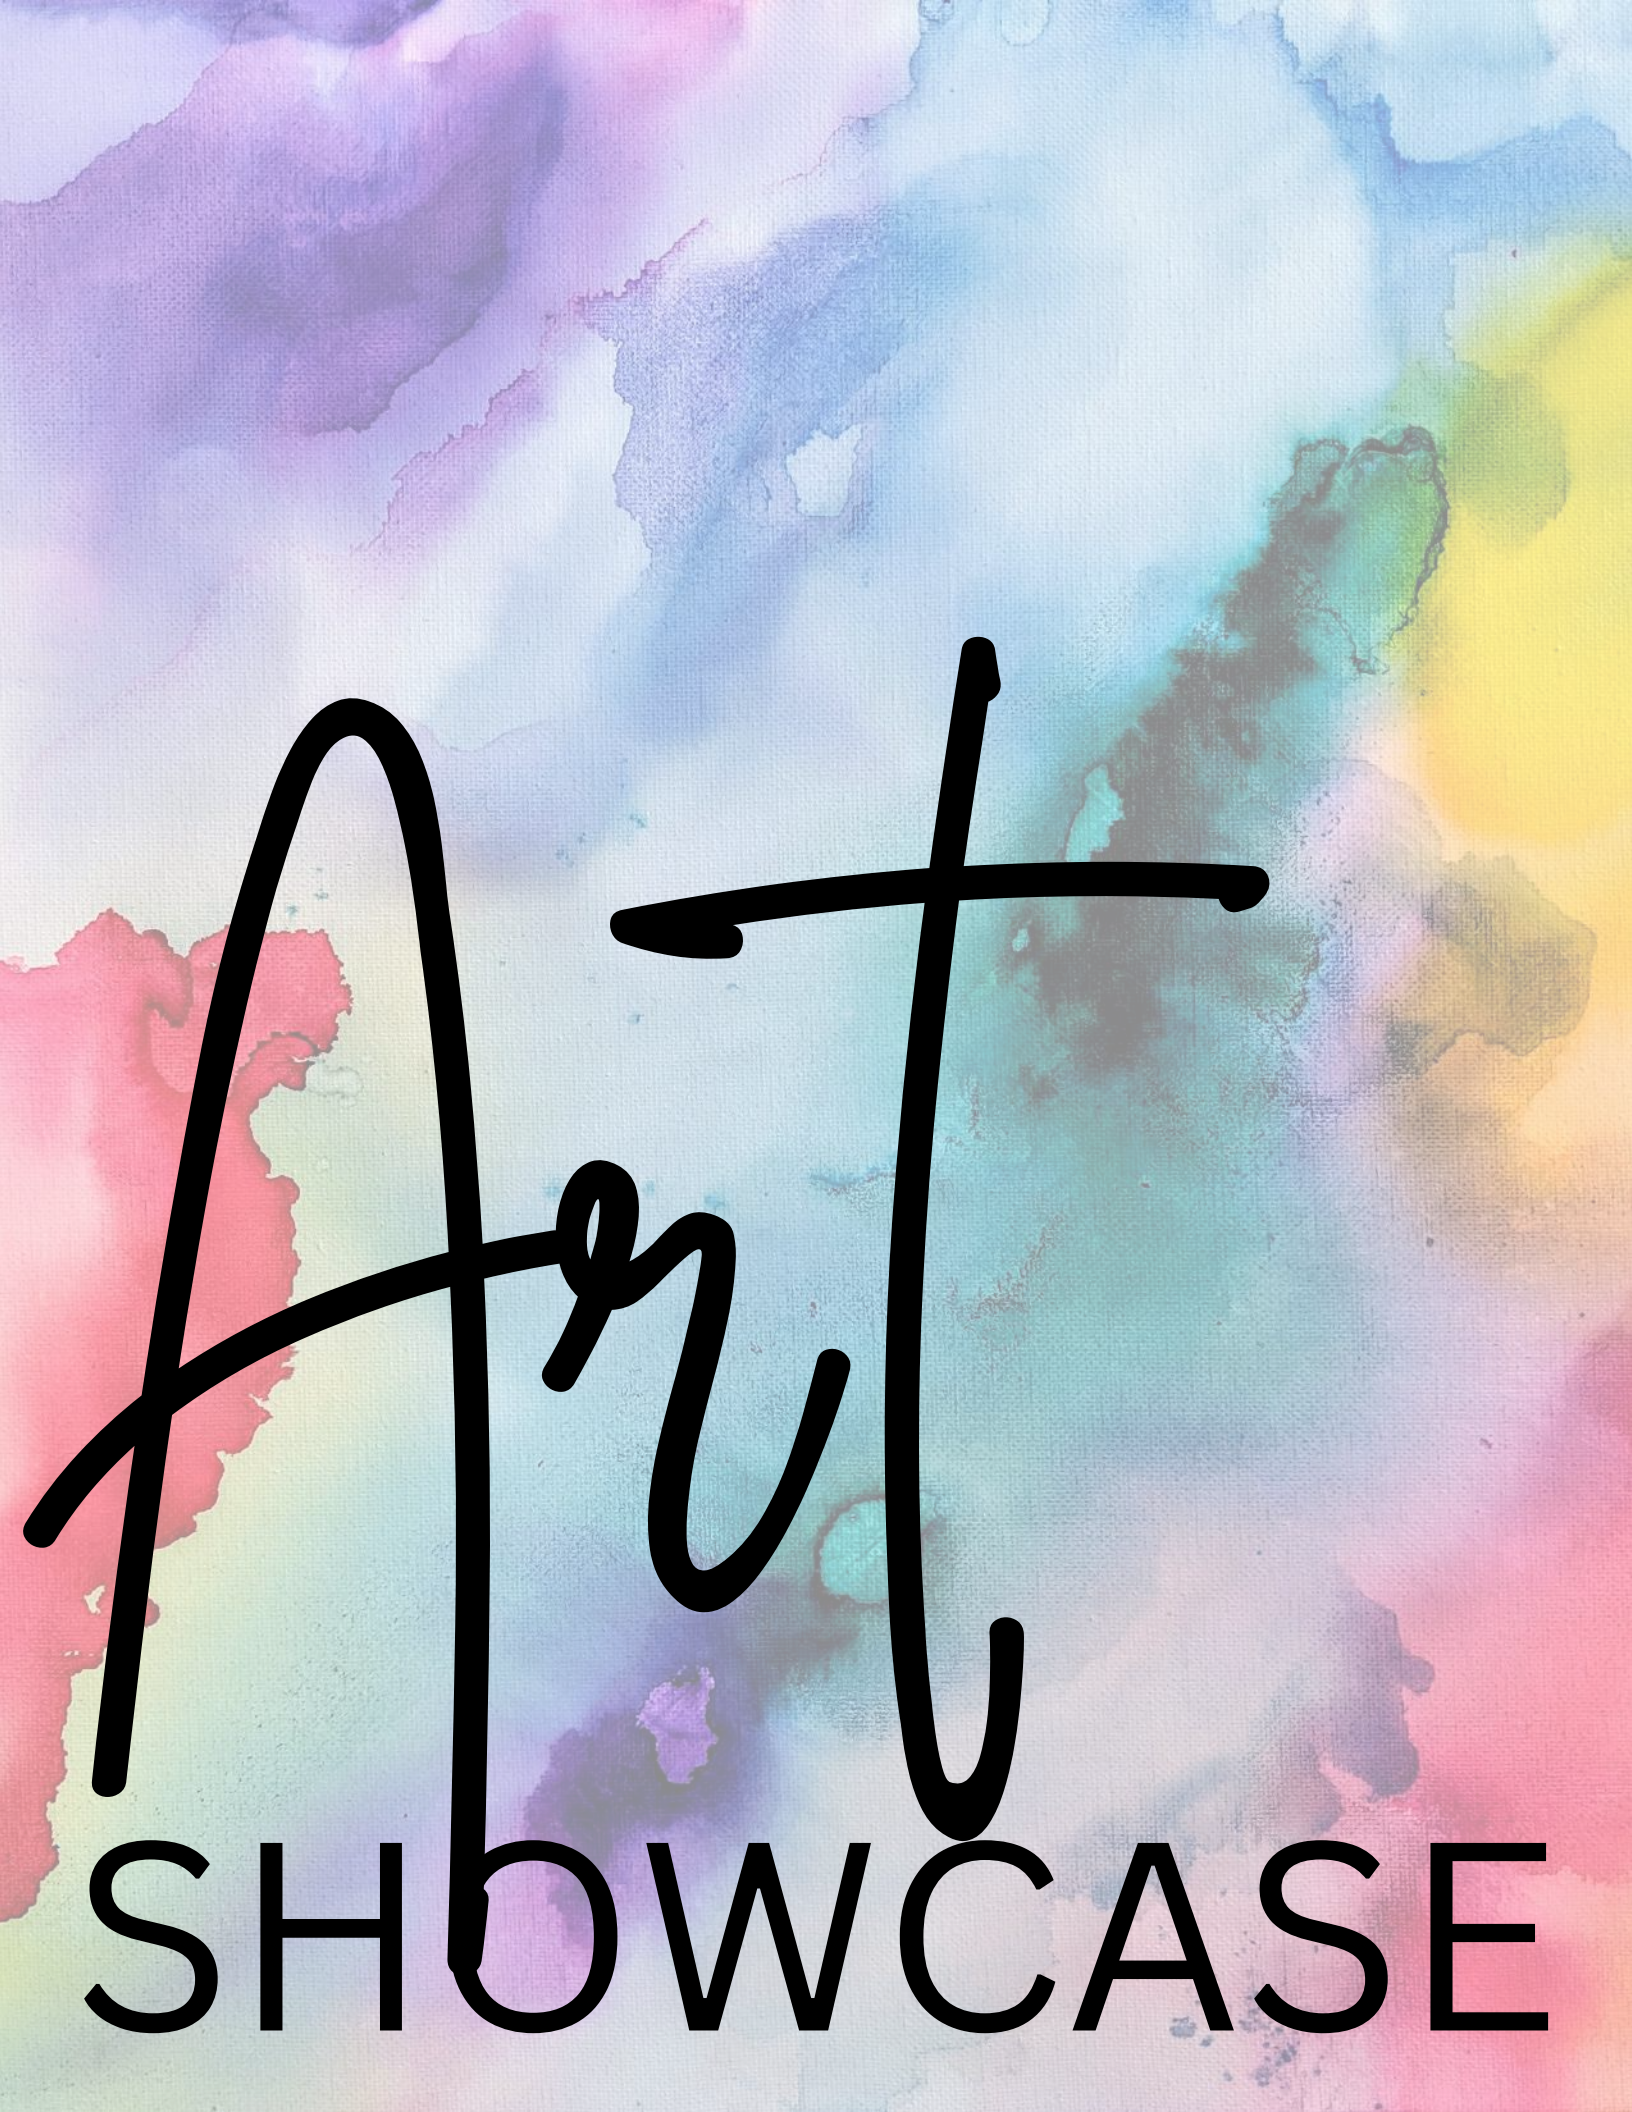

EWS students in Years 9 & 12 visited Aston Martin F1 for sessions with AMF1 Engineers, and their partners Citi Group & Cognizant.

We are looking forward to continuing our partnership with Aston Martin into the next academic year with activities planned for all year groups- exciting stuff!

# Battlefields visit

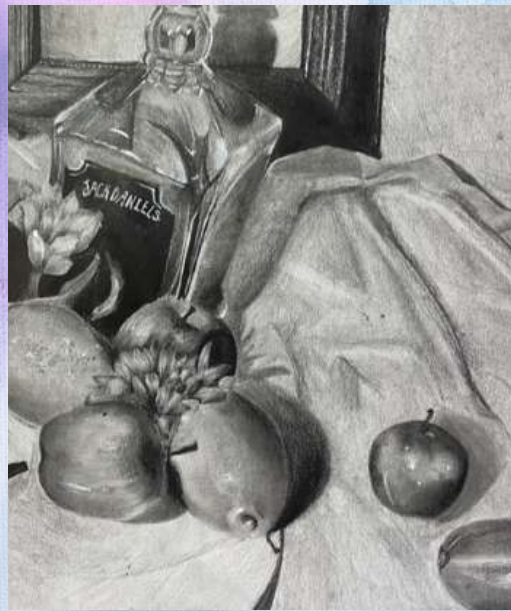

EWS students observed an impeccable minute's silence and laid a wreath at Tyne Cot Cemetery near Ypres, Belgium.
