RESULTS ROoi 979?

SCHOOL dkhi Sj SOc

Results Day Checklist

It is important to have everything ready so the process can go as smoothly as possible.

Before the day think about what your plan B or C might be:

- <u>Research</u> universities, colleges, and courses before you get your results to look at all the options.
- Revisit places you have already applied for would you still consider going there if the course was available?
- Research choices you might be interested in again, including entry requirements.
- Have you explored all the options like apprenticeships or gap years?

Prepare the information you might want to have to hand:

- What are your top choices? Write a list of options (along with the course code and title) that you may want to consider on the day. Clearing vacancies are available on ucas.com from 5 July.
- How do you contact the unis? Many universities will have dedicated clearing webpages to find out the best way to contact them on the day.
- Why do you want that place? You'll be speaking to universities about why you're looking to join the course and your achievements, so have some bullet points written down ready in front of you.
- What else is important to you? Think of questions for the university or college: this could be about the location, accommodation, societies, are there bursaries available; anything that will contribute to a positive experience for you.

On the day make sure you have the following items ready:

- A pen and paper ready to make notes.
- A fully charged mobile phone to make calls.
- Your UCAS login details.
- Your Personal ID number.
- Your Clearing number (this will be on your application if you need to use Clearing).
- Your grades.

Other things to keep in mind on results day:

- Double check entry requirements and speak to universities if you are unsure.
- Still waiting for the university to decide? Check to see why and contact them if you're not sure.
- Universities and colleges want to speak to you, not your parents or anyone else.
- If you are offered a course in Clearing remember to ask the university or college how long you have to decide and add this as Clearing choice.

Useful contact numbers:

- UCAS: 0371 468 0 468 or +44 330 333 0230 from outside the UK (international call rates apply).
- Exam Results Helpline: 0800 100 900
- Skills Development Scotland Results Helpline: 0808 100 8000

Keeping Children Safe in Out of School Settings: Sending my child to after-school clubs, community activities and tuition

June 2024

Advice for parents

What is an out of school setting?

An Out of School Setting (OOSS), is an institution or setting which provides tuition, training, instruction, or activities to children without their parents' or carers' supervision. This does not include schools or colleges registered by the Department for Education, or where care is provided for children and is Ofsted registered or a childminding agency. Examples include,

- Tutors, tuition centres and supplementary schools (which may be used to support mainstream or home education).
- Extracurricular clubs such as dance, sports, drama, music, art etc.
- · Uniformed youth organisations, e.g. the Scouts and Guides, Cadet services
- Open access youth providers, e.g. centre-based and detached youth work
- Private language schools, including those for children coming from abroad
- Religious settings which offer education in their own faith

What should these settings be doing to keep children safe when attending?

Questions you could ask,

- 1. Can I see your child protection policy?
- 2. Who is the lead for safeguarding and what training have they had?
- 3. Who is first aid trained and will there always be somebody available on site?
- 4. Is there a complaint policy?
- 5. How do they recruit staff and volunteers? What checks are done to assess their suitability?
- 6. What training have staff had?
- 7. Will other adults be present while your child is there?
- 8. Will my child have unsupervised access to the internet?
- 9. How will you meet my child's individual needs (SEN, personal care, dietary, medication etc)?
- 10. How will you record my emergency contact details and when you would contact me?

Please also take the opportunity to visit websites for access to policy's and information. Visit the site to make observations about the environment, health and safety, staff to children ratio's and access to first aid.

Read the
Government's
new guidance for
parents and carers on
how to choose a safe
out-of-school
setting.

For more information and advice please read,

School Uniform Shop

We are looking for donations of clean and good condition uniform items such as:

- Black ties with logo
- Blazers
- Black trousers
- White shirts
- Pleated skirts
- PE kit
- Shoes
- Coats

Reuse and save the planet If you need any uniform items for yourself, don't hesitate to ask at reception about our Uniform Shop.

£1 per item, or swap with yours if it is in good condition.
